## *In Thanksgiving for the Life of Rev. Mr. David Clark Corbett*

Georgia Bulletin Photo By Michael Alexander

*Born August 10, 1953 - Entered Eternal Life May 10, 2010*

*On the day of David's ordination Archbishop Gregory instructed him 'to share with all men the word of God with joy, to believe what he preached, to teach what he believed and to put that teaching into action.'*

*Deacon Dave had a servant's heart. He lived the Gospel he preached in his tireless work with St. Vincent de Paul; his visits to the local prison; his devotion to the respect for human life; his recent participation with the 8<sup>th</sup> grade CCD class; his willingness to instruct, baptize and bury the dead; his love of the scriptures and his inspirational homilies - above all, his devotion to his wife, his sons, his priests, his people, the community of St. George. He will be greatly missed.*

*Rest in peace, dear brother and servant of God.*
